# —As Pegler— Sees It Harriman as an 'Expert' Just a Rich Amateur

By WESTBROOK PEGLER

Copyright, 1950, King Features Syndicate, Inc.

IT IS HARDLY POSSIBLE THAT W. AVERELL HARRIMAN, who is now vaguely identified as a "foreign affairs expert on the White House staff" has improved since his term in Moscow. His record justifies no optimism.

WESTBROOK PEGLER

This man is one of those rich amateurs who let Roosevelt flatter them and exploit the implications of their names. Names such as Rockefeller, Whitney and Marshall Field—and Harriman. Surely these young fellows were of fine old capitalistic stock.

Rockefeller commissioned Jo Davidson to go to South America and sculpt the heads of a group of dictator-Presidents at our expense as a gesture of good will. Davidson was listed as chairman of the Citizens' Committee of the Arts, Sciences and Professions, which paid Jimmy Roosevelt a big salary, but which Eleanor finally repudiated in a confidential scene belatedly confessed by Billy Rose, who says he was there.

She had learned, to her surprise and sorrow, according to Mr. Rose, that the Independent Citizens' Committee was "the most insidious and dishonest" of all the fronts and dodges to which she had lent her name and support.

Mr. Rockefeller paid Davidson your money to mold these mudheads as a means of endearing us to the Panchos and Juans to the south of the border and if any more naive and famous fantasy occurs to your imagination, don't ~~blab it~~ to the State Department lest it cost you more of your taxes.

**I** HAVE LATELY BEEN SAMPLING IN A BOOK by Maj. Gen. John R. Deane, who served with and more or less under Harriman as head of the U. S. Military Mission to Moscow from the Fall of 1943 until the end of the war.

Gen. Deane expresses admiration for Harriman, but the details of his book reflect no reason for this regard in the field of professional competence. It is a story of abjectness in the presence of a bullying enemy temporarily placed in the status of a military accomplice.

After a year of haggling and evasion by the Russians, Gen. Deane, still unable to meet the Russian Chief of Staff, "would have welcomed an appointment with a lance corporal."

At last, however, he got a foot in the door with Marshal Voroshilov, the Vice Commissar of Defense, to renew his request for landing and turn-around facilities for American bombers which were softening up Germany for the Normandy invasion to take the pressure off Russia. Did the Russian now smile and crowd him with vodka as before?

"He knew I had come to press for some action on the agreements that had been made 'in principle' regarding 'shuttle bombing' and other matters," Gen. Deane wrote, "and he assumed a cold demeanor, a scolding attitude, and went at once on the offensive. He criticized Anglo-American inability to contain more German divisions on the Italian front."

There ensues a capsule condemnation of the Italian campaign as a stupid enterprise and Gen. Deane then comes to his meeting with Gen. Antonov, who presently became Chief of Staff.

**"I** HAVE NEVER HAD A RECEPTION of more studied coldness," Gen. Deane says. "I explained that the purpose of the Military Mission was to provide a group through which operational co-ordination could be effected. He seized on this to berate me about our efforts in Italy.

"I pointed out that we had liquidated Rommel's forces in Africa, forced Italy out of the war, taken on a second front in the Pacific without the help of our great Red Ally, and run the gauntlet of the submarine menace to deliver supplies to Russia."

At the same time, Harriman, representing the nation which was flooding Russia with gifts, including post-war industrial plant, "was receiving the same complaints from Molotov, who indicated Stalin's displeasure."

In December, 1944, Gen. Deane wrote Gen. Marshall that it had been all right to give the Russians all possible help when they were back on their heels. He ignored the fact that they were the enemy's Ally until June, 1941, and became our "Ally" only because Hitler turned on Stalin. They "deserved" no help whatever from the United States.

"However," Gen. Deane wrote Marshall, "they are no longer on their heels. The situation has changed, but our policy has not. We still meet their requests to the limit of our ability. They meet ours to the minimum that will keep us sweet. We never make a request that is not viewed with suspicion."

At Teheran, Stalin told Roosevelt he had 60 divisions which he could shift rapidly to break through where he chose.

"But," the American officer adds, "it is impossible to conceive how these divisions could have been moved had they had American trucks to ride in, American shoes to march in and American food to sustain them."

**WHEN HARRIMAN AND LORD BEAVERBROOK** hit Moscow in September, 1941, to learn Russia's needs at American expense, they found in Stalin and Molotov not eager Allies, but difficult and shrewd negotiators. They were "given a rough time by Stalin." He questioned their good faith and they hurriedly upped their list of offerings. Then Stalin beamed and Harriman and Beaverbrook got the usual Kremlin banquet.

Roosevelt, in the same cringing spirit, gave the Russians priority "over all other Allies" and even over our own fighters. This was "the beginning of a policy of appeasement from which we have never fully recovered and from which we are still suffering."

Yet, the Soviet leaders became "more and more demanding. The fire in our neighbor's house (a Roosevelt metaphor) had been extinguished and we had submitted ourselves to his direction in helping to extinguish it. He assumed that we would continue to submit ourselves to his direction in helping to rebuild the house.

"Unfortunately, we did. He demanded that we furnish the material for the inside, the exact use of which we were not allowed to see. Now that the house is finished we have at best only a nodding acquaintance."

Gen. Deane's recountal of meek failure to stand up to the Russians, of the squandering of American billions and the shipment of post-war plant to build up a power already so plainly hostile to the United States, is a frightful indictment of the whole crew, with slight extenuation of his own inadequacy.

In the face of this record, Harriman remains one of the masters of the nation, entrusted with power and influence to repeat his tragic failure wherever else his judgment might be exerted on our fate.

Two reasons for this were: one, that his position was such that he should not be imperiled; and two, occasionally he showed some independence. Mr. BUDENZ further advised that when the Chairmanship of the Citizens' Committee of the Arts, Sciences and Professions came up for consideration, it was mentioned in the Politburo that [REDACTED] had had close and friendly relations since the days of LINCOLN STEFFENS. The members of these groups, as identified by Miss BENTLEY, were the SILVERMASTER Group and the PERLO Group. Miss BENTLEY further testified that there were certain individuals employed in the government, who cooperated in obtaining information from the files of the government for the use of Russian Agents, but who were not actually attached to either the SILVERMASTER or PERLO Groups. You will recall that we received a request from Mr. Donald S. Dawson of the White House to conduct an investigation concerning Mr. Rockefeller who is under consideration for appointment as Chairman of the Advisory Council on International Development (Point Four Program).

There is attached for approval a letter to Mr. Dawson furnishing him with the results of our investigation of Mr. Rockefeller.

For your information the following background data were developed during the course of our investigation of Mr. Rockefeller. He was born on July 8, 1908 in Bar Harbor, Maine. He graduated cum laude from Dartmouth College, Hanover, New Hampshire on June 17, 1930 and received an A. B. degree. Since graduation from college Mr. Rockefeller has been employed in various Rockefeller enterprises and from August 16, 1940 to March 23, 1945, he was Coordinator of Inter-American Affairs in the United States Government. He served as a Consultant in the Office of Inter-American Affairs until April 10, 1946. He also served as Assistant Secretary of State for American Republics for approximately one year.

Persons interviewed during the course of our investigation of Mr. Rockefeller recommended him most highly as a person of unblemished reputation and character and as a loyal American. The only information of a disloyal nature which was developed is as follows.

In 1946 an investigation was conducted concerning one [REDACTED]. This individual had listed Mr. Rockefeller as a reference in applying for Federal employment in December, 1945. Elizabeth T. Bentley testified before the House Committee on Un-American Activities that [REDACTED] was one of certain individuals employed in the Government who cooperated in obtaining information from the files of the Government for the use of Russian Agents. The degree of relationship between Mr. Rockefeller and [REDACTED] was not established but it was developed that [REDACTED] was employed as [REDACTED] in the Research Division of the Coordinator of Inter-American Affairs and Mr. Rockefeller was the Coordinator of Inter-American Affairs. It is possible that this is the reason why [REDACTED] furnished Mr. Rockefeller as a reference.

Westbrook Pegler in his syndicated column of October 20, 1950, stated that "Rockefeller commissioned Jo Davidson to go to South America and sculp the heads of a group of dictator-Presidents at our expense

"as a gesture of good will. Davidson was listed as chairman of the Citizens' Committee of the Arts, Sciences and Professions . . . ."

Louis F. Budenz in discussing [REDACTED] described him as working "in close cooperation with the Party in the late 1930's and early 1940's." According to Budenz the Politburo had favored [REDACTED] as head of the Committee of the Arts, Sciences and Professions. b7c

Budenz was interviewed during the course of our investigation of Rockefeller and stated that he had never heard or known of any association or activity on the part of Rockefeller in connection with Communist Party affairs or activities. On the contrary he pointed out that the Communist Party had attempted to infiltrate the Office of the Coordinator of Inter-American Affairs during 1940, but that their efforts to do so had failed. This information has been included in our reports going to Mr. Dawson.

The reports returned have been checked page by page with the corresponding Bureau copies to insure that no pages are missing. Following this, an inventory of the reports returned was prepared and identified by the file and serial numbers of the file copy of the reports as well as the file location of the corresponding bound volumes containing identical copies of the reports as disseminated to the Department. Four, July, Nineteen 76

Dear Jimmie...

You got my letter and what did you do?: You began campaigning harder. Little Man: Didn't I tell you: You do not have God on your side and you certainly do not have Bob Dylan on your side. God signed the attached document. His name is The Sundance Kid--he carries the white flag on which is written GOD in black letters. I carry a yellow flag on which is written in blood red: SUNDANCE! Neither flag has ever touched the ground. You have no flags, not one title, and still you challenge me: for that is what you did by ignoring me. And I am Supreme Commander of the United Allied Army of the Universe. Among other things.

So you have made a powerful enemy.

Can you afford to make powerful enemies?

Are you powerful?

How do you do with an ax?

Well ya better practice up cause there's a girl by the name of Penny Palmer who is going to take you one. The weapon will be The Ax! All this will transpire on the lawn of the White House when I take over. And that will happen, as you can see from the enclosed, very soon.

And don't you wish you had God on your side? Zap: Or Bobby Dylan!

Yours Sincerely,

Supreme Comander  
Hippie Revolution

1e, the people of the United States of America feel exploited  
and used. We are The Hippie Revolution, the rightful heirs  
to American soil which we both love and respect. You have  
created a prison to enslave us and take our rights away.

We object and will no longer tolerate such abuse. Therefore,  
in the name of The Hippie Revolution, we The People, send  
you this formal declaration of War! We are going to take  
back what is ours. By force. We shall have a new President,  
a new Cabinet, a new Congress, and build a new country which  
is Totally Free. We are everywhere and have subverted every-  
thing so we will, naturally, be difficult to stop, but you  
should try, for your life, like ours, is hereby on the line.  
And if The Hippie Revolution wins this Second American Revolution  
we will then hold War Crimes Trials the magnitude of which  
have never been seen before. So, The Hippie Revolution now  
holds all public offices and officers null and void. And  
we say to all of you cock-sucking swine slave master turd  
bastards: "We're on our way." And, "Fuck you! FUCK ALL

OF YOU!"

[redacted] was located at the Hillsborough County Jail, Tampa, Florida, and advised of the identities of the interviewing Agents. He was additionally informed that the purpose of his interview was to discuss his responsibilities in connection with a threatening letter sent to Jimmy Carter dated July 4, 1976. He was orally advised of his rights by Special Agent [redacted] and was furnished a written statement of his rights which he read, and signed to indicate his understanding and waiver of his rights. [redacted] voluntarily furnished the following information:

The originals of the letter to JIMMY CARTER and the "Declaration of War by the Hippie Revolution" were shown to [redacted] and he readily identified these documents as having been written by him and sent to JIMMY CARTER. He stated that he has been undergoing medical and psychiatric treatment for a particular type of psychosis. When in this psychotic state he feels a compulsion to write letters protesting the political attitudes of individuals whom he feels to be responsible for the running of the United States. He stated that around the 4th of July, 1976, he had been recently released from the Medfield Medical Center at Seminole, Florida, and was taking medication to suppress this particular psychosis. He claimed that after being released from the hospital this medication appeared to be insufficient to control this psychosis and the compulsion to write again surfaced. He realized that this compulsion was coming on again and he returned to Medfield to have the medication increased. While he was waiting for the medication to take effect he wrote about 100 letters to various business and public officials. Included among these letters was a letter to JIMMY CARTER.

Regarding this letter to JIMMY CARTER, [redacted] stated that this letter was merely to let off steam and that he had no intention to do bodily harm to CARTER. Concerning the document entitled "Declaration of War" he claimed this document had been previously prepared by him and he regularly included this document as an enclosure to any letters sent to specific individuals. Regarding the four additional

signatures on the "Declaration of War," namely [REDACTED] and [REDACTED] identified these individuals as "friends." [REDACTED] claimed that none of these individuals were aware that this document was being sent along with letters to specific individuals. [REDACTED] claims he is unaware as to what these individuals actually believed he was going to do with the "Declaration of War." [REDACTED] stated he believes that in subsequent contact with these individuals he may have told them of his having mailed this document to specific individuals, but he does not recall their reaction. [REDACTED] emphasized that none of these individuals had any input into the composition or selection of individuals to whom these documents were mailed. He further furnished additional background information concerning these individuals as follows:

[REDACTED] stated he is familiar with the usage and handling of firearms and that he does, in fact, own some firearms but they are all antiques and not able to be fired. [REDACTED] stated that he is not a fanatic in maintaining or

Supporting the forceful overthrow of the United States Government but disagrees with present administration policies. He claims that he would in no way take overt action of a treasonous nature against the government nor would he support or subscribe to violence to be committed against any of the individuals to whom he has sent these types of letters.

[REDACTED] claims he has had this mental problem for about four years, during which time he has sent similar letters to publishing companies, Senator TED KENNEDY, various officials at the Pentagon in Washington, D.C., President GERALD FORD, Vice President Rockefeller, Senator GEORGE MC GOVERN, Senator ADLAI STEVENSON, the president of the Chase Manhattan Bank in New York City, officials of the Guggenheim Museum in New York City, and the Museum of Modern Art in New York City.

KENNEDY, MAYOR DALEY, SENATOR GEORGE

Reference is made to letterhead memorandum of this  
office, dated July 27, 1976, and captioned, [REDACTED]  
[REDACTED] Threat to Jimmy Carter."

On August 9, 1976, Special Agent [REDACTED] U. S.  
Secret Service, Tampa, Florida, made available a number of  
letters written in [REDACTED] Agent [REDACTED] ad-  
vised that [REDACTED] is currently confined to the Hillsborough  
County Jail, Tampa, Florida, charged with a threat made to  
Vice President Nelson Rockefeller, and he is awaiting an  
appearance before the Federal Grand Jury.

The letters are as follows:

This document contains neither recommendations nor  
conclusions of the FBI. It is the property of the FBI and is  
loaned to your agency; it and its contents are not to be dis-  
tributed outside your agency.

Dear Jerry Ford:

It is with the very greatest of pleasure that I send you the enclosed Declaration of War. My heart is filled with joy! As is the heart of every hippie everywhere. But where are the hippies? One may be with you now. How do you know; you do not know anything! If there ever was a stupid mother-fucker it's you!

I have sent you the address of each of the other four men who signed the Declaration of War. Now I am going to do more than that: I am sending you the name and address of The Commander in the Field: Mr. Mallen Lent, 850 Carfield Street, Carbondale, Colorado 81623. He is a cook at The Aspen Restaurant at The Aspen Inn. Indeed, I thought that when war broke out you might want to run to Aspen.....that's why I sent Commander Lent there to welcome you.

You will need the army. You will need the navy. You will need the air force. You will need the secret service. You will need the f.b.i. And you'd better come for real cause this time I'm not backing down and am moving straight forward. To Washington.

So you better enjoy the Oval Office and the White House--you won't have them much longer!

Do you think I would have let the President of France talk about me the way he talked about you? Never! I'd have been over there and shot out his wife's left eye and castrated him. And he'd know it. They aren't as stupid as you all over the world--the rest of the world has known for years that ol [redacted] was running the Hippie Revolution.

My wife Leigh is Joni Mitchell--my best friend John C. Calhoun is The John C. Calhoun.....also Bob Dylan in his spare time. And what does all this mean to you? And what does all this mean? You'd better think for once little man. Cause this is WAR and either you or me is going to die!

So now you got something that will stick in a court of law on ol [redacted] Now all you gotta do is serve him with the papers

Sweet Dreams,

President

*The Ax*

Dear Nelson:

Our paths have been crossing for the past twenty years. And finally I sent you a letter saying that I was coming for your head with my ax. You turned that letter off (gave it to the F.B.I.). Now if you had written me such a letter I wouldn't have waited--I'd have come for your head with my ax.....and I'd have gotten it too! And what am I going to do with your head? I am going to shrink it (indeed, I know how) and hang it on my wall. Your consciousness will still be alive as will your eyes. You can watch me orgy with my thirty-two women. Won't that be exciting?

So you'd better head for a bunker now that it's all-out War! And be careful who you take in with you; since the Hippie Revolution is EVERYWHERE! But you're not scared of a few hippies, are ya? A big brave man like yourself. Why you can just send a few tanks down there to Florida to deal with ol [redacted]. However, if you do that I promise: they will never come back!

b7c  
So you got the goods on ol [redacted] now--you got it in writing with his signature at the bottom. However, there are four other signatures. Look at the signatures: You can just see those men knew what they were signing and loved every stroke of it. Why not? We've been waiting for this 4th of July for years. The Donald Coyote Institute for Advanced Studies. Indeed, I can produce every popular musician who has ever cut a record. And that says a mouthful, don't ya think? No. You do not think. Well you can think now: about ol [redacted] and his ax.

Dear Hable [redacted]...

They are so dumb--they'd probably think to hear you talk that you're illiterate... when anybody with a fraction of a brain knows that for you to use language the way you do you'd have to be super-brilliant. You and me, we're riggers together. And we don't like to have them wipe their feet on us and on our Nigger brothers and sisters. And we're going to do something about it. I went around for years saying, "You people should look at it this way: the Black people are tight together and there's a head Nigger somewhere and you should just thank your lucky stars that that head Nigger is sane. Cause who could hold it against him if he sent out the order to cut every white throat in America?" People didn't listen very well and they mostly didn't believe me. They are so dumb! And we're a gonna show us about Niggers! Cause little Bobby Zimmerman and me--we like Niggers and sure feel like soul brothers after having our soul bought and sold on the open market these past fifteen years. And now I'm going out with Jesus Christ's flaming sword in one hand, Cassius Clay's boxing glove holding a bloody ax in the other and I'm going to tell them: FROM NOW ON MAN IS E Q U A L in America. Black, white, or green: we are all the same if we really are the same and are not slave-master sons trying to drain the blood from our bodies and the positive energy from our souls. I remember once in Chicago I was entering my wife's apartment when a Black Nigger in the apartment across the hall said, "Come here." I did, and he said, "You look just like Abe Lincoln. You are Abe Lincoln, I know it. And you're gonna set us Black men free." Now I was political as hell at the time, though trying to play it cool. And I just figured: this is a mandate from the Black community--they're willing to follow me. Oh Boy--do I ever have power now! And that feller's right: I'm going to set the black man free! So it was just as I told you when last we talked: I tested out my theory. I went into a restaurant where no white man dared to go. In Woodlawn in Chicago. And I was served. My six year old daughter accompanied me. And an old Black man came into the restaurant in a tattered army coat and he broke into tears. Then I knew I had the full support of the Black community. So now is when we stand and fight for freedom and equality for all men and women, black and white. It will be a grand fight. And I am proud and honored to be carrying your flag which reads: BLACK!

With Love,

[redacted]

b7c

Lowell, Leigh, Tracy, Shane

12, old Crazy [redacted] is at it again, and this time he isn't  
feeling--he's going to go all the way: To Victory or to  
Death. Look, you know lots of people, being associated  
with the church. Well Jimmy Carter claims that he has God  
on his side; but I don't really think that's true--I think  
God would send Jimmy Carter to Hell! So I am going out  
in the name of Jesus Christ--I think the little fellow would  
approve of me and would be pleased that somebody honest  
still remembered him after all these years. As you can  
see from the enclosed literature, I offer you the flag  
if I am killed. You are not old enough; but if I am killed  
nobody will care and there will be Civil War anyway. And  
they will not make you President, they will make you King.  
For I, as you know, have lots of support. And if elected  
I'm going to re-organize production. We will make things  
that are well-crafted and last as long as possible. We  
will build houses that do not wear out after two or three  
years. We will use windmills for energy and close down  
all the atomic power plants which are nothing more than  
death machines. We will power cars with solar energy.  
Indeed, I have it on good authority that such can be easily  
done. We will give people back their dignity and their  
pride. We will make a whole new America--America the  
Beautiful; America The Free. We will re-try every criminal  
that is now in jail in new courts that are honest. The  
crime rate, I am sure, will go down to near zero after  
the reforms that are made. We will not need as many police.  
We will take speed limits off the highways. We will make  
new laws of the land will be contained in a single volume  
which is less than forty-eight pages long. Medical will  
be free; postal service will be free. We just don't have  
to take the shit they've been feeding us. I'm fed up.  
You're fed up. We're all fed up. We've watched their  
evil ways too often for our liking and now it's up against  
the walls motherfuckers for them! Bob Dylan and I are going  
to kill their ass in the election. I promise!

With Love,

2 ... etc. etc. They said "could" like anybody I wanted  
3 ... I just could write letters like that.  
4 ... for about a month, and then the F.B.I.  
5 ... and they were really worked up. It was  
6 ... letter I'd write to Nelson Rockefeller. Among  
7 ... things I'd told Mr. Rockefeller if he didn't straighten  
8 ... I was going to come for his head with my ax. The F.B.I.  
9 ... had a nasty letter I'd written "Penthouse" magazine  
10 ... they stole my article on the Hippie Revolution. Guess  
11 ... them a little. Anyway, they turned the letter over  
12 ... to the F.B.I. It was interesting: some of the letters  
13 ... the Secret Service and the F.B.I. had had parts deleted.  
14 ... wonder why? Anyway, the F. B. I. man told me that the  
15 ... word had come right from Nelson Rockefeller himself that  
16 ... if I wrote MORE POLITICAL LETTERS I would be tried for  
17 ... extortion. I'd practically gotten away with murder because  
18 ... I had a history of mental hospitals.....but never again  
19 ... would they let me get off easy--they'd push me right into  
20 ... jail. The Secret Service came to underscore that statement.  
21 ... "Be careful," they said, upon leaving. The implication was  
22 ... that if I wasn't careful I'd find myself in "real" trouble.  
23

24  
25 ... trouble to get a job teaching, unable to get any of my writing  
26 ... published, unable to get a job doing anything, I got Vocational  
27 ... Rehabilitation to pay my way to cosmetology school. I  
28 ... soon got to know all the other students and some of the girls  
29 ... were saying, "I love you, B," so I must have made friends.  
30 ... Some of my classmates and I were making a point by the  
31 ... lake that fronts our school and I'd stop and noosed  
32 ... up of choking grass. I said, "there was no grass." It  
33 ... was plain he really hated me. So I got to thinking. "Why  
34 ... not run for President?" And I talked it up a little at  
35 ... cosmetology school and mailed out a few letters and got  
36 ... myself a nation's campaign manager and what happened?  
37 ... The police arrived at cosmetology school. They said that  
38 ... some of the girls in cosmetology school had been spreading  
39 ... the word that I was running for President and they were  
40 ... there to arrest me. I began talking and they began to go  
41 ... outside to talk on their radios. After three trips outside  
42 ... they came back to say that they weren't going to arrest me--  
43 ... they were simply going to escort me off the school property.  
44 ... So I began to write letters to Washington asking about meeting  
45 ... funds, asking questions, asking questions...! And I received  
46 ... not one single reply. The world went on as usual, as if I  
47 ... didn't exist. So I chose the four most articulate men I  
48 ... know and I said to them "if I write a declaration of war,  
49 ... will you sign it?" They said they would. And I wrote  
50 ... The Declaration of War and mailed it to Jerry Ford on  
51 ... Independence Day, 1974. And I mailed copies other places  
52 ... too, with nasty letters attached. But that isn't the half  
53 ... of it. I have fifty letters stacked on my desk and when  
54  
55  
56  
57  
58  
59  
60

1 I am going to be arrested. I am going to  
2 say that the men who signed the Declaration really  
3 did nothing to do with the war--did not even know I was  
4 going to mail it--simply thought it was another of Crazy  
5 Man's jokes. And then I shall say that I am going to be  
6 my own lawyer. And then I shall say that my first witness  
7 (because I plan to SUE) will be Nelson Rockefeller.  
8 "I believe we are living in a Police State," I shall say.  
9 "I believe that the military-industrial power structure  
10 has made slaves of us all!" I will sight examples from  
11 my own life and the lives of the many many people I have  
12 known. I will tell about the Black Man in America in a  
13 way that people haven't heard it before. I will tell about  
14 the men who do the real work and The Hippie Revolution,  
15 not forced to wear rags. I will be a powerful spokesman,  
16 I assure you. Nobody will think I'm crazy. And the four  
17 men who signed the Declaration with me will see that no  
18 matter what the power structure does, my story will get  
19 front page press in every newspaper in America. And I  
20 will run for President--as a write-in candidate, with Bob  
21 Dylan as my Vice President. Yes--he's old enough, and so  
22 am I. And man--he'll do it, and that's go shit! We will  
23 tell of the people we have known. And what two men are  
24 more qualified to talk about America than Bob Dylan and  
25 E. W. Johnson? It will not be a rock parade--it will just  
26 be Dylan and I, out stamping (if I am not in jail), him  
27 with his old guitar and me with a tambores. We will talk  
28 about burning down all the ghettos, not just Watts. We  
29 will talk about taking the money away from the rich so  
30 that everybody can enjoy a good standard of living. And  
31 we will talk about the corrupt laws and the corrupt courts.  
32 We will talk and we will talk and we will talk.....and I  
33 promise you: E V E R Y B O D Y will listen. Our message  
34 will spread throughout the world and I will win the election  
35 in the greatest landslide in history.

36  
37  
38 Do you think that nobody listens? Do you think that everybody  
39 is deaf, dumb, and a fool? I don't. I think Americans  
40 are real smart and have just never had an honest candidate  
41 to vote for before. I think that when they hear the truth  
42 they will know it's the truth. And I think that they're  
43 going to get real and when they learn how they've been  
44 exploited all these years. Anyway, I hope so. And I'm  
45 looking forward to my day in court.

46  
47 Most Sincerely,

Dear Sir:

I do not approve of you. And who am I? I am the next President of the United States so you'd better listen.!

You enjoy creating death machines which will ultimately kill all of life. You dig it--you get off on it in the same way that my thirty-two daughters get off on pulling dogs and each other. It's a high for you; but not for me.

St--little fellow, I have this to say: SHUT DOWN ALL THE NUCLEAR POWER PLANTS IN THE UNITED STATES IMMEDIATELY. If the lights go off people can burn candles. And if you do not do this immediately I will hold you guilty of War Crimes and you will be tried by my Attorney General, Mr. Gary Hunt.

How could you do it? How could you build death machines? You are the lowest of the low.....and you'd better do exactly what I say or you will be very sorry.!

Most Sincerely,

Supreme Commander  
Hippie Revolution

P.S.: If you have any further questions you may contact my Attorney General, [REDACTED] at [REDACTED]. Give him a call if you think this is a joke.!

Dear Sir:

Please allow me to introduce myself.....I am a poor writer in need of money.....and the best way to urn that money is to write a best-selling novel, THE UNGREATFUL UNDEAD--that's the book.....and I promise it will be the LEADING #1 BOOK of the year.

But who am I and what do I have to offer? My name is [REDACTED] my business is Gothic humor..., and the world is certainly ready for a funny scary book. So I want to cash in on this void in contemporary American letters and produce a novel which is sure to sell big!

My credentials: MFA from Writer's Workshop, University of Iowa. Eight published books: art criticism, anthologies (such as CONTEMPORARY AMERICAN THOUGHT), novel (THE WINNER), parables (THE PENIS GARDEN, etc.), etc. Also I've written much poetry and several unpublished novels such as THE ASSASSINATION OF BEANIE BARR and NIGHTMARE NUMBER 9 (which Tom Wolfe considers the most brilliant of all contemporary novels--Kurt Vonnegut also likes it a lot). And then there's THE NEW JOURNALISM which Tom Wolfe did with me. Indeed, I am certainly one of the most prolific and best contemporary authors having recently completed not one but two rhetoric books for Harper & Row. And I have teaching experience (four years at Western Illinois University) and publishing experience (Carthage Press). If you want to learn more about me send for my placement papers which are on file at the University of Iowa.

This new book of mine will be aimed at a commercial success--I am tired of being broke all the time and want to make some big money. If I make big money, then you make big money too. But for starters (advance) I only want two thousand dollars. That seems fair to me; how can you lose?

So, I hope you enjoy/appreciate the enclosed prospectus and I look forward to receiving your reply.

Have a happy day.

Most Sincerely,

[REDACTED]

4  
5 This novel is about the great space wars which have been  
6 fought for the past two thousand years. It is a book about  
7 Jesus Christ, The Hippie Revolution, and Eric, Supreme Commander,  
8 United Allied Army of the Universe. It is also about Dracula,  
9 Bob Dylan, and The Sundance Kid.

10 Our story opens with Dracula saying to his wife Grizzlie:  
11 "Honey, it all sucks!" She agreed. And right then they  
12 decided to do som thing about it, the monster, the disease  
13 of cancer of the universe. Dracula, as everybody knows,  
14 had more than one women--sixteen at the time. These women  
15 were, naturally, vampires, and they were the sixteen strongest  
16 and most beautiful women Dracula had ever met. His women  
17 around him, The Count said, "I'm going to form an army. That  
18 army will be called The United Allied Army of the Universe and  
19 we will distroy the monster down to the last diseased cell;  
20 then we will live forever in peace and love. Anyone (animal  
21 or human) who is not a part of my army will be wiped out."  
22 Dracula's women thought that that was a good idea.

23  
24  
25 Count Dracula had twelve male friends--men such as The Monkey  
26 Deamond and The Sundance Kid. These men all got together in  
27 Dracula's castle and they talked about the monsters they were  
28 going to distroy and the high command of the army they were  
29 about to form. "You will be our leader," said Elton John--  
30 "You're so noisy you'll put the fear of God into them all."  
31 And Sundance said, "We'll creat our own mythology. In this  
32 way we'll give people something to react to and in this way  
33 show themselves for what they are. I'm going to call myself  
34 God. You, Dracula, can be Jesus Christ. This will fit nicely  
35 since you are our savior. Anyone who rejects you I will deal  
36 with personally."

37  
38 So the great space wars raged, the army like a huge combine  
39 with chopped apart everything in its path. For you were either  
40 in the army, or against it. The United Allied Army of the  
41 Universe established Earth as its home base. On Earth there  
42 were stupid Earthlings (about which Vonnegut writes). There  
43 were also Super Humans from outer space. The men, women,  
44 and animals of The United Allied Army of the Universe.

45  
46 The first half of the book, THE UNGREATFUL UNDEAD, tells of  
47 the formation of World History and the creation of a world  
48 stage from which the United Allied Army of the Universe  
49 fought the great space wars. This takes us up to about  
50 fifteen years ago when the real action began. The Supreme  
51 Commander disguised his army at The Hippie Revolution. Mr.  
52 Bob Dylan (the Supreme Commander's closest friend and Number  
53 Two in command of The United Allied Army of the Universe)  
54 stepped forward, singing about truth, justice, and his tambourine  
55 man, The Supreme Commander, Jesus Christ.

1 The Earthlings [redacted] The Hippie Revolution like tooth paste,  
2 pubbling as you [redacted], or something. Anyw [redacted] The Supreme  
3 Commander of The Hippie Revolution. The Sup [redacted] Commander of  
4 The United Allied Army of the Universe, Bob Dylan's tambourine  
5 man, Judy Collins's Marta/Sade, and Jesus Christ were all  
6 the same man. The clue to his identity of this leader could  
7 be found on the cover of "In My Life" by Judy Collins. It  
8 is a Dutch Master President cigar, the same kind [redacted]  
9 smokes. In side "Joni Mitchell" by Joni Mitchell can be  
10 found a photograph of [redacted] wife Leigh. She is  
11 wearing her maternity dress. On the back of "Blood on the  
12 Tracks" can be found a drawing of Bob Dylan who, as everybody  
13 knows, is The John C. Calhoun. And then there's Ron Deaton  
14 (aka Gordon Lightfoot) and Steve Pawley (The King of Head  
15 Games). Yes. Head Games and LSD became the thing and grass  
16 and rock music. The Earthlings liked the music and fell in  
17 love with [redacted]'s best friends and his women (who  
18 sang to him which is tradition in war--i.e.: the commander's  
19 women always do the singing). [redacted] himself was  
20 recorded in rock music under various names, one of them being  
21 Ginger Baker.  
22

23 But we must not forget about God which is The Hippie Revolution  
24 for God has not forgotten about Earthlings. And The United  
25 Allied Army of the Universe cleaned up the universe under  
26 the capable leadership of [redacted] who basically only  
27 had one thing to say: "Fuck you! FUCK ALL OF YOU! And if  
28 you don't like what I'm saying you can come punch me in the  
29 nose!" Many tried. The last case on record was when the  
30 monster's foremost karate expert insulted The Gypsy Mouth,  
31 a vampire [redacted] had added to his household (this happened  
32 in Macomb, Illinois just a few blocks from Western Illinois  
33 University). And what happened? [redacted] backed the lousy  
34 swine cock-sucking coward down in front of all his friends  
35 after first throwing a glass of beer in his face. You see,  
36 [redacted] is probably the strongest man who ever lived  
37 anyplace in history. Shit, man! Do you think The United  
38 Allied Army of the Universe would have a sissy for commander?  
39 No, Dracula is strong and brilliant (aka "Don Quixote" by  
40 Gordon Lightfoot), dedicated and brave. He threw an axx  
41 at a classroom full of scum at Indiana University in Bloomington  
42 a few years ago: "Fuck you! FUCK ALL OF YOU!" he said in  
43 the name of Tom Wolfe and The New Journalism, a part of the  
44 Hippie Revolution as were The Black Panthers, Hell's Angeles,  
45 and The Black Revolution. That Great Spiritual Leader Casus  
46 Clay gives thanks to after every fight is none other than  
47 [redacted]  
48 [redacted]

49 So, this gives you some idea of the scope of my novel. They  
50 of course crucify Christ who announces he is Christ in a Steak n Shake  
51 in Clearwater, Florida and is subsequently put in a mental  
52 hospital. The space wars were fought from mental hospitals,  
53 etc. And the reason [redacted] chose a Steak n Shake  
54 [redacted]  
55  
56  
57  
58  
59  
60

to announce [redacted] in [redacted] because his favorite daughter  
and best friend [redacted] Penny Palmer (aka the Penny of the Beatles  
"Penny Lane"--i.e. see "Magical Mystery Tour"), The Virgin  
Mary liked Steak n Shake hamburgers. However, her favorite  
smell was that of gasoline.

THE GRATEFUL DEAD will cut a record to accompany THE UNGREATFUL  
UNDEAD. It will be called "Tumb, Tumb, Tumb--and Up Yours!"

This novel that I propose will be a touching love story since  
[redacted] is the most famous lover that ever lived. He  
liked two kinds of women: those that everybody else was  
escared of and those who had had everybody wipe their feet  
on them. When The Count [redacted] took a woman it was forever.  
And why not? Just look at his women: Joni Mitchell, Judy  
Collins, Melanie, oh lovely Melanie! Yes, [redacted]  
resented the fact that Earthlings fell in love with his  
women--it pissed him off. And when he got pissed off the  
Earth shook! "They love Judy Collins," [redacted] said, "but  
they're escared-ta-death of Rebecca. The scum! She's the  
same women!" Indeed, it was well-known and had been tested  
many times: [redacted] would KILL ANY MAN WHO FALL IN LOVE WITH  
ANY OF HIS WOMEN; his women would kill any lady who fell in  
love with Dracula.....or accept her as a member of the sisterhood,  
The Family, their family. But Love! [redacted] loved um up  
and they loved him. Take Penny, for instance: She was queen  
of Lesbos and she had vowed to kill EVERY man in the universe.  
But she fell in love with [redacted] and learned all about love  
and life from him. And Samantha--that was the famous [redacted]  
dog who had been tortured for two thousand years but escaped  
and found its way into The House of Usher in Carthage where  
[redacted] lived while teaching creative writing at Western Illinois  
University. Mad Dog wanted her back. Dracula said, "Over  
My Dead Body!" Later [redacted] crucified Mad Dog in the eternal  
cemetary (which can be seen in a Feleni flick). But what do  
you expect of your Hippie Revolution? It is THE BEST. It  
must be--we won the space wars, killing everything in our  
way, and never lost one man, woman, or animal from our own  
array. That just goes to show how brilliant [redacted] is. And  
his father, [redacted] Senior, is no slouch either. For he wrote  
"The Little People"--the most brilliant children's story in  
history (illustrated by Penny Palmer, published by Carthage  
Press). You see, after the Earth Monster has been taken care  
of The United Allied Army of the Universe is going to Heaven.  
And what is Heaven? It's a place in the Universe that is  
sunny all the time, where man is King and the father of a  
household of women which he loves. Naturally, they all ball  
each other and their animals (aka "Hair") and have lots of  
fun all the time forever. And the Earth Monster, well, Tom  
Wolfe and [redacted] feed it LSD, keep it alive forever, but  
not in human form, and feed through its conscionness a movie:  
"The Life of Jesus-Christ." All this begins in July, 1976.

8 Dear Editors:

9 Well, you must guess by now that I hate your guts. It's  
10 people like you who keep people like me out of print. And  
11 I don't know what to do with you since I believe that  
12 you are criminals and should be treated as such and put in  
13 jail. Or worse? Random House jumped a contract on THE  
14 POETICS. Houghton Mifflin (and probably all the other poe- in  
15 companies who print my books) has been stealing my royalties  
16 for years. And Robbs-Merrill would not publish my book  
17 POLARITIES even though they knew it would be one of the  
18 bigger sellers of all time. Why? "Because," they said,  
19 "they didn't think it was true." Well it took more than  
20 a hundred people to put that book together and they ALL  
21 THOUGHT IT WAS TRUE! I know--the publishing guys had  
22 ganged up on me; but the man in the street just didn't seem  
23 to understand when I start reading him things I've written.  
24 Why you won't publish me. And he's a gonna be a gonna pissed  
25 off; because everybody likes my writing. He's gonna go  
26 figure you're part of that corrupt power structure that's  
27 made slaves out of us all and keeps our balls in a vice  
28 all the time so we won't get out of line or too uppity.  
29 Well I feel like King Nigger cause I've been shit on more  
30 than any other man in America. And King Nigger is going  
31 to get his revenge. He and little Bobby Zimmerman are  
32 going to go out and get us good! And you're included in  
33 us. Just wait until I start reading for the masses from  
34 the two rhetoric books I did for Harper & Row that they  
35 won't publish. Just wait until I tell everybody how you  
36 people at Enquire have spit on me. It's a gonna make people  
37 damn mad. So if some old man hits you over the head with  
38 a cane, don't be surprised. You think you silenced me by  
39 not printing me. Archoles: Tom Wolfe and Truman Capote  
40 and Richard Yates and Kurt Vonnegut go out of their way b7c  
41 to tell people how you treat old [redacted] You are, they are, but  
42 [redacted] -something which you will, I am sure, never  
43 understand. Tom Wolfe LOVED THE POLARITIES BOOK; so did  
44 Russell Edson. And people take Russell Edson seriously.  
45 And Russell Edson takes all of you seriously. He thinks  
46 you're scum and that you suck! But he's just like Dylan.  
47 He watches and waits. And Dylan just said from my records  
48 "The next time you see me coming you'd better run." And  
49 that's what I say to you. Cause I ever catch up with you

My dear

I am your greatest fan! And many years ago, when I was putting together an anthology called CONTEMPORARY AMERICAN THOUGHT, I tried to get a release on your song "Desolation Row". Your music agent would not release the song. And so I went to New York, to your music agent's door, and I said to the young lady in charge: "I would like to use Bob Dylan in an exciting new book I'm putting together for The Press Press." She said, "I'm sorry. But we think Mr. Dylan is an important poet and we won't release his work in anthologies." Bobby Zimmerman--the logic escaped me; and do you know what shot into my head? The Greedy Parasites. They're trying to steal Bob Dylan's soul. She was a pretty girl; but I still didn't like her very much, and I thought: "What if Bob Dylan heard you say that?" And then I answered my own question: Bob Dylan would simply observe, saying nothing. Sorry, Boy: I'm blowing your act. I'm a gonna tell them all about you: I'm a gonna tell them that you're the most dedicated son-of-a-bitch that ever lived and that you're totally dedicated to sticking their head in their own shit! You've just been waiting until the time was right to do it. But there was never any question but what you were going to do it. Now we've got some people between us, Bobby Zimmerman. It came to my attention almost immediately after Carter did it that for Jimmy to quote Bob Dylan made Bob Dylan sick.

Remember that concert in Bloomington a couple years ago when there was a guy way up in the balcony whistling through your amp system. And then the guy started singing through your amp and in the middle of "Just Like A Woman" ~~about singing~~ and for a moment he was singing all by himself, "She makes love just like a woman, but..." Well that little fellow whom you caught was me. Oh yes, I like Bob Dylan real well and feel that he is one of the most intelligent and most dedicated men to ever live at any time in history. I love Bob Dylan for what he is; and what he is is obvious through his music. He is a man who is not afraid to stand up to graft and corruption. He is a man not afraid to stand at the front of a battle and shout: "Fuck You!" The powers-that-be should have been scared of you all along. But you never did anything--you were so damn excentric. And they just figured you were in it for the fame and the money like they were in it for the fame and the money. They related their own greedy ego trip to you. Sours that they are! And they thought that because you had done nothing in fifteen years that you were not political and would grow old and happy and dumpy and never make one swipe at them. How wrong they are; how very wrong. For you are like God: Always watching. But it is now 9, July, 1976 and you must make your stand; for I cannot stand alone: I need the support of the public figure I most love and trust. We may not know all the answers between us; but as long as there are questions we can work together and ultimately

...and you have  
...and you can't so easily  
...and the answers  
...and create a free world  
...I need your  
...I need you to come forward to stand beside me while  
...at the world that runs our country; to stand  
...beside me and I seek the support of all those good and  
...educated people who truly believe in love and justice and  
...for all. Now as I have said, we have people behind  
...us. And Clyde just wrote me that if I happened to have  
...a message for Bob Dylan he'd be happy to deliver it. Indeed,  
...Clyde tells me that he has spread my legend to rock music.  
...Could that Jack of Hearts song have been about The An Kim?  
...I really identify with a lot of your songs; it  
...is like they have been written with me in mind. Certainly  
...I take you into consideration when I write beautiful stories  
...that no publisher in America will print. We'd make quite a  
...team, Bobby; for we are probably the two most dangerous  
...men in America. Because we are honest. And everybody who  
...has one brain cell working in their head knows that...-  
...that we are honest and we are strong and we are dedicated  
...and nothing will stop us from creating a free America.  
...We love America--America is our country, and we fly its flag  
...high and with pride. So now I've blown your act and as soon  
...as this letter becomes a matter of public record the corrupt  
...power structure of this country will know that you're not  
...really their savior after all. And they'll start thinking  
...about those songs and those titles like "Blood on the Tracks"  
...and they'll never feel safe around you again. That means  
...they'll have to kill you to sleep at night. And certainly  
...they will have to kill me to sleep at night. So let's team  
...up and make the [redacted] Dylan for President ticket!!!!  
...Our slogan will be: IF WE DON'T KNOW THE ANSWERS WE'LL FIND  
...THEM OUT AND YOU CAN COME RIGHT ALONG AND HELP TO REACH THE  
...ANSWERS SINCE "THE YOUR QUESTION AND IT MUST HAVE BEEN A  
...DANDY TO BRING TWO BELIEVERS LIKE US! Nobody's ever had a  
...slogan that long before. It will be catchy. And I just  
...put on your song "Just like a Rolling Stone". I would  
...suggest that everybody who reads this letter go play that  
...song for it is certainly a good song for this time in history  
...and will be the theme song of our campaign. And where is  
...the real Bob Dylan? And who is the real Bob Dylan? Clyde  
...knows. And he will see that you get this letter. I certainly  
...hope that you will stand up with me in the name of truth,  
...freedom, and justice and we will let everybody everywhere  
...know just exactly what we think of you. And we will say to  
...them all: "You don't see!" And some will cheer and  
...some will run the other way. But where will they run?  
...The Earth is round and I. M. Johnson and Mr. Bob Dylan  
...are tired of taking shit!

With Love & Respect--Your Friend,

Nixon  
Pentagon

Hello:

You've got a damn fine business going and you collect a fat check and cause trouble everywhere. But I'm just about to put you out of business. As you can see from the enclosed literature I am running for President of the United States of America. And I am going to win. No matter what it takes. I am going to stand up and tell it the way it really is!

I hate you; yes, I do. You have set yourself up as God, and what do you do: You allow the slaughter of Americans all over the world. You sacrifice human life for no other reason than, I guess, because it gives you a feeling of power! Asshole. If I become President I'm going to get rid of you and all your kind. We will immediately withdraw all troops from overseas. If we need protection we will use Polaris missiles, NOT TROOPS!

How could you do it: How could you sacrifice a thousand men to take a hill you lose the next day? That is not my idea of war--that is my idea of murder! And if Dylan and I are elected we're going to try you for murder in Viet Nam. And we're going to ask to have you executed.

Buster, your ass is in lots of trouble. You are hated all over America. What are you going to tell the mothers who lost their sons in Viet Nam, the young girls who lost their lovers. For nothing! Just so you could feel like a big man and maybe get a sex kick. That Richard Nixon--I'm going to try his ass on national t. v.--and I will be the prosecutor. I'll need a good lawyer. You too.

So, buster, you'd better go out campaigning against me. Cause if I win I'm going to close down the military complex. I promise!

Love Sincerely,  
  
b7✓

Dear Ted:

It took me a long time but I finally learned exactly what happened on that bridge. You MURDERED the girl. And she was pregnant with YOUR BAMB. Seem that you are, you'd better stop worrying about your senate seat and start campaigning against me. Cause if I'm elected President we're going to try you for FIRST DEGREE MURDER. It cuts no ice that the courts have let you off. I now have NEW evidence. And just let me say that I think you're the lowest scum that ever lived. You think Americans want you for President--it's just that you're afraid to run cause you're afraid somebody might bump you off. Well I got news for you! Americans everywhere HATE YOU! They just aren't too vocal about it cause they know if they get out of line the F.B.I. or the Secret Service or you will put them out of business. Well I'm not afraid, Baby. I'm a gonna run. And if I'm killed my X-wife's husband, Lowell Callahan, is going to pick up the banner. And if he's killed there will be Hell to pay!

I'm going to do in all you aristocrats. I figure that I can raise the standard of living in this country so each human being makes at least the equivalent of \$10,000 per year. The President of the U. S. will make the same pay as a ditch digger. Some people like to dig ditches; and why is their labor only worth a few dollars an hour when you get rich and all you ever do is make slaves of people, cause wars, and murder young girls? We all help to make the big wheel go around; we are all entitled to live. A child is entitled to \$10,000 a year the same as an old man is entitled to live. So, Teddy Boy, go out and tell them that it's insane and it will never work. You swine. I hate your guts! And it will work. And you know it will work. We will use credit cards instead of money. And we will reduce the work week to as much work as people feel they want to do. And we will build a new and beautiful America with all Americans working toward a common good. And I will show people how to get more out of their lives and more out of love. And I most certainly am going to attempt to have you executed. With an ax. And I will be your executioner.

Most Sincerely,

New York Times

Dear Publisher:

I have written you countless letters over the past ten years. They were very vocal letters, and you never answered a one of them or gave my point-of-view one line of press. Freedom Of The Press--we don't have Freedom of the Press at all in America. We have a Slave/Police state. And you think NOBODY knows? EVERYBODY KNOWS! It is known all over America that the "real" issues are never touched on in newspapers. And what are the "real" issues? They are poverty and fear and distrust.....and a complete scorn for aristocrats such as yourself. If you knew how much the "average" American hated you you'd really be surprised I'm sure. You see, you think Americans are basically stupid; where-as I think Americans are really smart. You think Americans are lazy, whereas I think Americans are industrious. You think Americans cannot think; where-as I think it is YOU who cannot think. But we'll see. Cause I'm going to hit the campaign trail and I'm going to tell everybody how no newspaper in America will print my point-of-view. Like you think the average American is against grass. The fact is that the average American is against the courts which sentence their sons and their daughters to unreasonnable sentences for something that is obviously not as harmful as cigarettes. Why? Cause if you legalize grass then the gangsters won't get their money and, naturally, the cheap politicians like Jerry Ford won't get their cut. An honest man, Jerry Ford. Shit! I'll PROVE what a crock he is. Giving Nixon a pardon. Well America just didn't like that. Yeah; the misspelling of didn't was intentional. You cock-sucking swine! You stand behind the political-military-industrial complex and only print THEIR point-of-view. That gives you power, big man, doesn't it. And everybody tells you how good you are. Well I think you SUCK! When I finish there will be NO aristocrats in America. There will only be WE, THE PEOPLE! So print that in your rag, if you dare. Or print how evil and crazy I am. Afterall, would you want a man who has six times been in a mental hospital for your President?

Most Sincerely,

[REDACTED]

Dear Mrs. Hendon: Not:

I got your letter telling me how you were going to finish me forever in the teaching field because of that letter I sent the President of Harvard University. Well fuck you in the ass! THIS COUNTRY HAS FREEDOM OF SPEECH AND THE JOB OF A GOOD TEACHER IS TO GET PEOPLE TO THINK! And you are judging me! What the fuck do you use as credentials? Are you just like Jimmy Carter--do the pair of you have God on your side. You just better read that placement file, little lady. Cause all those recommendation letters were done with a poison pen and all the people who wrote them are goddamn pissed off at you! And those people are some of the most important men in the United States. Do you think everybody's blind--do you think nobody knows the filthy things you do? Wait until I tell everybody on the campaign trail how the Head of the University of Iowa Placement Office, without benefit of council or trial, said she was in fifteen days going to forever-more make my educational placement file unavailable to anyone. Do you think the "average" American will love ya for it? I think not--I think he will want you to leave the country. Really--people get worked up about the damndest things.....and what is probably a very minor matter to you (since you probably do such things all the time) can become a big deal to the man in the street. Fact is, if I heard of you doing what you did to me to anybody else I'd get so pissed off I'd do everything in my power to make you pay! Honest-to-God! You have treated me like dirt without a second thought when all I have ever done was dedicate my entire life to trying to make life better for everybody. And you think nobody knows that? Shit: you're living in a dream world.. I'm a legend and all my friends know that people like you are afraid of people like me--that is why you keep them out of the universities. But if I am elected President all that will change. All education will be free and anybody who wants to teach can teach anywhere they want. I might teach a course in Richard Yates at Washington University. And Bob Dylan might teach a course in [redacted] -afterall, [redacted] is the most famous underground author who ever lived. And that ain't no shit! Oh Boy would you ever be surprised of the number of people who have read me and hate you. This is called: Revelations. It's the straight dope, straight for your teeth. Sucker! You're finished.. You've done your last dirty deed. That is, if I am elected President.

Most, Most, Most Sincerely,

Dear Mayor Daley:

Well, you've received a number of my letters now and you must know by now that I'm not going to simply dry up and fade away like a bad dream. You hold the club of fear; I hold the sword of justice. And I'm going to clean up your city and New York and L.A. if I am elected President. There will be no crime because the causes of crime will be eliminated. Anybody will be able to walk the streets of any city in the U. S. at night and not be afraid. And if elected President I am going to go way back to the slugs of Chicago and YOU for the crimes you perpetrated against The People! Many people didn't think it was cool that innocent people were thrown through plate glass windows and that kids were clubbed to the ground in their own front yards. You will spend the rest of your life, I promise you, in prison. And I'm going to re-open the Kent State Massacre. I will investigate it PERSONALLY! And when I find out who gave the order to the national guard to use live ammunition I'm going to see that he or she is executed. You guys think that human life is a big joke--something for you to play around with at your whim. Well I think human life is something that God gave us to use in a constructive and creative manner. Now I know you think you have all the voting machines rigged and have Chicago under your thumb. But I think that the people are going to teach you a good lesson--I think you will find that at least the mangonies of Chicagoans are going to back me, not you. But perhaps you can hold your machine together. Just hire more pigs with more bullseye clubs--that's the answer to everything.

You are old, old, old. This is 1976, and we're all due for a change. And America's going to have a face-lifting. We want to be FREE--not slaves to a Police State. And at last there is a man who is not afraid to stand up and tell it like it really is: ME! I'll scream about Chicago and my voice will be heard everywhere. And soon like you will have no choice; to run and hide that's what you'll do. Cause I know your kind: you don't mind killing and brutalizing as long as somebody else does it for you. Well come kill me: I'm right here at 204 Belmont St. waiting for you.

Love, Sincerely,

July 2, 1976

Dear Jimmy...

You might as well hang it up--you just ain't going to win. I'm going to whump your ass in the election and then I'm going to put all you aristocrats out of business. I'm sick and tired of you. It's just like a cook in a restaurant said when I showed him the Declaration of War: He said two things. He said, "We'll make those greasy Arabs suck off their camels." And he said, "What that Jimmy Carter needs is for somebody to cave in his teeth with the back of an ax."

America is fed up with you, your kind, and everything you represent. They're ready for an honest man such as myself. I've probably had dealings with twenty thousand people or more in my life and everybody would agree who has ever known me that I am an honest man. Are you an honest man? Shit--you aren't even a man. Out getting Bob Dylan. Well if you know how much little Bobby Zimmerman hated you for doing that you'd just watch your step!

So I'll see you on the campaign trail, Jimmy. Or you'll hear my voice coming loud and clear from a court of law.

They won't publish my work in New York--it just ain't good enough. Well if you had any idea how many people have read my work and how many friends I have you'd be scared. You'd just plain be scared! Cause all over America everybody's mad at you.

Shit, man: win the election. You may have to move out of the country when I'm finished with you. Cause, baby, I'm gonna tell it like it is. And baby, I promise you, I GOT THE INSIDE BLACK VOTE BEHIND ME! If you doubt that just give Nabel Reese at Longwood's Adult Education on Mirror Lake Drive in St. Peter--she's Black and she'll set your ass straight in a hurry! After you've talked with her you'll have no doubt whatever who Cassius Clay is voting for. You scum. You lice. I hate you!

Most Sincerely,

Penthouse

Hi There:

I have a dandy 4th of July present for you. It is enclosed. But you must know all about The Hippie Revolution since you keep rejecting our literature. And turning my letters over to the F.B.I. And yes: you're a gonna need a cop again because this letter threatens yor sweet little ol' live.

You must be some of the stupidest cock-suckers in the world. To reject THE UNGRATEFUL UNDEAD was not wise. But I was a mere nobody then: now I am President of the United States of America. Have you ever been President? I didn't think so. That means that I have four fists to your one nail. And a guy named SPIKE on my side. And what do you have on your side? A few pigs with bulley clubs. And they'll be the first ones to fall when the shooting begins.

Oh yes: there will be shooting; and wild animals roaming the streets at night. But why bother to turn this note over to the F.B.I.? There's sure as fuck nothing they can do about it. I am a man above the law. I am John Westley Harding that Bob Dylan sings about. I know: it's ol' [redacted] hallucinating again. Well yous is a gonna hallucinate too cause I've spiked all the water in the U.S. with LSD. Tim Leary and his brother, Very Leary, helped me. You will begin to rush toward the end of this month. Just about the time I march my army to Washington and take over.

So you people at Penthouse must be the bravest people in the World. Afterall, just look at how you have treated me; and The Hippy Revolution--?!

Most Sincerely,

Dear George:

You probably now guess that I don't like you one bit. And you might sometimes say to yourself: "I wonder what I did that [redacted] hates me so much?" You soon, you sure! When you ran for President you said you spoke for youth.

L I A R !!!!!!!!!!!!!!!!!!!!!!!

I SPOKE FOR YOUTH! I SPOKE FOR THE HIPPIE REVOLUTION: NOT YOU!

Soon that you are, I am going to have Mr. .... Mr. Bob Dylan has the rope. And you will hang there for ever in The Eternal Cemetery. You see: I'm a spirit! My name is Count Dracula; but you need not worry about Dracula....for [redacted] is going to cause you all the trouble you'll ever need.

Isn't it interesting: I am the Supreme Commander of the Hippy Revolution. Oh I'm a big shot all right for sure. So even if you see a Hippy think of [redacted]

There eventually comes a limit to hate; but I hate you and Mahon Daley and Ted Kennedy and Adley Stevenson III as much as it is possible for me to hate. Also Nelson Rockefeller. Dito Richard Nixon. And I'm a gonna fix all of you real good fer sure by crackie!

Most Sincerely,
